Junior Interior Designer

LOCATION

Toronto, Ontario, Canada

Moriyama & Teshima Architects is a team of architects, planners and designers collaborating with visionary clients to build inspiring and enduring spaces that transform communities and reinforce civic identity. We believe that context underlies the spirit of every project. The office offers services in architecture, master planning and urban design, interior design and program development. The collaborative studio is made up of individuals who reflect the cultural diversity that defines our country: a combination of industry leaders and young designers working together to design and deliver exceptional projects.

Our headquarters are in Toronto, with a second office in Ottawa. While our work is primarily focused in Canada, we also complete significant projects internationally, particularly in the Middle East.
