

## **Junior Graphic Designer**

**Location:** Toronto, ON

**Reports to:** Director of Marketing

**Status:** Full-Time

---

### **Bring Our Stories to Life Through Design**

At Moriyama Teshima Architects (MTA), we believe that thoughtful design has the power to inspire. As a Graphic Designer, you'll play a key role in shaping how we communicate our work and ideas to the world. From proposal packages, brochures, and other business development material, along with supporting the architecture team on presentation and report graphics, your design work will be at the centre of our visual storytelling.

You'll collaborate closely with the Marketing Director, Proposal Specialists, and studio team to create compelling, brand-aligned materials that express the creativity and vision behind our projects. If you're passionate about design, storytelling, and working in a creative, mission-driven environment, we'd love to meet you.

---

### **What You'll Do**

#### **Design with Purpose**

- Design and produce marketing materials including proposals, presentations, and brochures
- Design and produce materials to support our architectural teams, including presentations and reports
- Develop layouts and infographics that visually communicate key ideas

#### **Collaborate with Teams**

- Work with the marketing team and studio staff to craft compelling visual narratives
- Support the marketing team with graphic needs for events, interviews, awards, and campaigns
- Assist with signage, wayfinding, and environmental graphics as needed
- Liaise with print vendors and manage production timelines

#### **Manage Tools & Content**

- Maintain design templates and marketing collateral
  - Help organize and catalogue visual assets including photography and project imagery
  - Stay up to date on design trends, software, and best practices
-

### **What You Bring**

- 2+ years of professional design experience, preferably in architecture, design, or related industries (knowledge of architectural principles a plus)
  - A degree or diploma in Graphic Design, Visual Communication, or related field
  - A strong portfolio that demonstrates excellence in both print and digital design
  - Proficiency in Adobe Creative Suite (InDesign, Illustrator, Photoshop)
  - A solid understanding of layout, typography, and brand design
  - High attention to detail
  - Excellent time management and communication skills
  - A collaborative, curious mindset and a desire to learn and grow
- 

### **Bonus Skills**

- Experience working with architectural or technical drawings
  - Exposure to signage or environmental graphic design
- 

### **Why Join MTA?**

- Be part of a studio known for design excellence and meaningful architecture
  - Work with a friendly, supportive team that values your creative voice
  - Enjoy a hybrid work environment, mentorship opportunities, and exposure to a variety of exciting projects
- 

### **Apply Today**

Please submit the following to [employment@mtarch.com](mailto:employment@mtarch.com):

- A cover letter introducing yourself and your interest in the role
- Your resume
- A portfolio of recent design work (PDF or link)
